

1985-86 STAR BASKETBALL CHECKLIST

Star's Final Base Set • 172 Cards • 1986

starbasketballcards.com

Check off each card as you complete your set. "RC" = rookie card, "SP" = short print (the entire Lakers team set, #26–33), "UER" = uncorrected error card. Series 2 (#95–172) — including the Ewing #166 and Jordan #117 — was later hit by unauthorized 'Type II' counterfeits; see our authentication guides at starbasketballcards.com before buying graded or raw copies of those two cards.

☐	#171	Trent Tucker

Notes: Star issued the 1985-86 Celtics team set (#95–102) in both green- and white-border versions — both are also known Type II counterfeit targets, so authenticate before buying. Micheal Ray Richardson (#65) exists in two card variations.
